A RABIAN STALLION FOR SALE.—THE PURE A Arabian Horse SAID is for sale on reasonable terbs as his present owner has no use for him. To breeders he will be a most valuable acquisition. The following pedigree gives the purity of his blood, with other interesting facts relating to his career:

SAID (also spelled Sayed), as given by the groom of Fubar Paska, Minister to France from Egypt, was fooled on the 25th of March, 1826, at the stables of Nubar Pasha, His size was the famous Khorassan, the property of Abdul Medjid. Stid's dam was Oblan, the property of Nubar Pasha, and is the descendant of the celebrated Jaurear, which leaped the clinder walls with the last Mameluke Bey when fleeing from Mahomed Ali in 1819. Therefore, Said is a cross between the Nedjid breet on the mother's side and the Anasseb breed on the side of Khorassan.

This grand Arab stallion exhibited wonderful powers of an entrance and speed in the Abyssinian war, being ridden constantly by an officer during that campaign.
